

Wenonah Swim Club Visiting Day

With the facilities of the Wenonah Swimming Club nearing completion, the building committee, headed by Andy Wesh, is inviting members, families and guests to an "open skies" inspection of the club building and pools.

Jack Sheppard, also on the building committee, advises that the concrete apron around the pools is complete, pool lights are installed, and water is being run into the several pools. Shrubbery and trees have been planted, with the entire pool area being fenced in. The club building is almost completed, with snack bar equipment ready to be installed.

Visiting day will be Sunday, May 19, from 1 P. M. to 5 P. M. In the event of rain, visiting day will not be held, due to possible damage to areas readied for sodding. Club officers and trustees will be on hand to answer any questions.
